Broadmoor's Candidates Air Views

By NANCY STANCILL

Candidates for the Broadmoor Police Commission began a public forum Monday by scooting their stage chairs slightly apart.

The mutual action left Police Commissioners Jack McCloskey and Dean Davenport on one end of the table at Garden Village School and challengers Randy Wall and Joseph Fillo seated at the other end.

The division aptly set the tone of the two-hour session sponsored by the Broadmoor Property Owners Association (BPOA) as a prelude to the Nov. 8 election.

The two candidates with the highest vote totals will win the seats now occupied by incumbents McCloskey and Davenport.

Though none of the candidates is campaigning jointly, the first public appearance of the four together reinforced the widely held belief that either a McCloskey-Davenport ticket or a Wall-Fillo combination will be elected.

About 60 Broadmoor residents turned out to cheer, jeer and ask pointed questions of target candidates. Both participation and emotions were running high, but it was an orderly meeting.

All four candidates spent considerable time addressing the question of who they feel is to blame for the high tax bills received by residents of the Broadmoor Police Protection District.

McCloskey, a San Francisco firefighter who has served on the Broadmoor Police Commission eight years, said the district's police tax has pushed the unincorporated area to the forefront of highly taxed San Mateo County locations.

"Taxes are up 75 to 80 percent in Broadmoor," he said, and added, "there's nothing to show for it."

McCloskey, who is Police Commission chairman, said, "Proposition U," a 1976 initiative that allowed the police tax rate to be doubled to meet Broadmoor police expenses, was "the greatest fraud ever perpetrated on the residents."

He charged that the backers of "Proposition U" misled residents by estimating an average yearly increase to a homeowner at $40.

"It's more like $140," he commented. "And we don't have a police department."

The Broadmoor Police Department ceased to exist when its liability insurance was cancelled Dec. 31, 1976. Police protection currently is being provided under a six-month, $103,000 contract with Daly City.

Fillo charged that he had told the commission in May and September that it was "not necessary" to raise the tax rate to its maximum, $1.50 per $100 of assessed valuation.

Commissioners McCloskey and Davenport, along with Commissioner Wayne Johnson, voted to raise the rate to its maximum in July.

Fillo addressed the audience when he stated, "Every dollar you pay is a direct result of that

Second Project Look

Daly City Redevelopment Agency's Project Area Committee will take a second look Wednesday at a proposed $100,000 project to beautify Mission Street.

The PAC took an initial look last month at the proposal to add parking bays, trees and other improvements to the older commercial area.

Several members questioned the use of mid-block parking bays that might result in the elimination of several treasured parking spaces.

The redevelopment agency (the city's five councilmen) sent the plan back to the PAC after the agency board offered some suggestions last week.

Several agency members expressed doubts concerning the utility of the mid-block bays, which are designed to offer more pedestrian crossings.

Another suggestion dealt with the addition of trees. Agency members expressed a preference for plantings in the ground, rather than in movable planters.

The beautification will be funded primarily with federal monies, plus some gas tax funds.

The PAC, scheduled to meet at 7:30 p.m. at the Civic Center, also will discuss possible future action to preserve the old John Daly Library.

The building, currently a working library, will be vacated in a few years when the city's proposed multi-purpose center is constructed about two blocks from the present library.

Block Parents Sought

Interested in helping a young child?

Officer Neil Hammermann of the Daly City Police Department is looking for volunteers for the city's block parents program.

"The services of block parents rarely are used, but they are there if needed," he said.

Block parent volunteers are adults who are home during school hours to offer aid to young children who are lost, injured or frightened.

Currently the city has 250 of the volunteers who live near the 24 elementary schools in the Daly City vicinity.

But Hammermann said the city needs more, because volunteers drift in and out of the program. Most of the participants are homemakers and elderly persons who spend

Fun And Games At Broadmoor Parade

(Dave Dornias Photos)

Broadmoor's annual parade and community carnival attracted hundreds of youngsters and adults Saturday at the Broadmoor Community Center, 87th and Washington streets. Sheriff John McDonald, above, was grand marshal. Also among the parade entries were the Colma Fire Department and the Westmoor High School marching band. There were hosts of activities for both young and old. Among the activities were a cake decoration contest and auction.

Johnson Ends Flap: He Backed Tax Hike

Broadmoor Police Commissioner Wayne Johnson has ended a short-lived flap over his role in the setting of the district's maximum, $1.50 per $100 of assessed valuation tax rate.

Johnson voted for the maximum rate for police protection along with the two other commissioners at a sparsely-attended Broadmoor Police Commission meeting in July.

At a well-attended meeting a few weeks later, he voted against approving a $327,000 budget — the amount that the tax rate would generate.

Johnson criticized the budget as being "a little high, in addition to being extremely rough."

However, Johnson had said recently that he had voted against both the budget and the maximum tax rate.

A check of the minutes showed that he had "reluctantly" suggested the maximum tax rate and had voted in favor of it at the same meeting.

Johnson said Monday night that he checked tapes of the meeting and found, to his surprise, that he indeed had approved the maximum rate.

However, he said at the time he believed that the approval was an initial voice vote that later would be confirmed in a more definite manner.

A further check of resolution 77-7-1, the measure increasing the tax rate, indicates that it bears Johnson's signature.

D.C. Man Stabbed

A group of five Latin males in their late teens and early 20s assaulted two Daly City men Sunday morning in an apparent robbery attempt, Daly City police said Tuesday.

The two victims, Chris Mensalvas, 31, and his roommate, Steven Hasbrouk, 25, both of Daly City, were sitting in a car in the 500 block of Clarinda Drive after visiting a friend at about 1:50 a.m. when the five youths approached them.

One of the suspects, police said, demanded Mensalvas' wristwatch and money. When he refused, the attacker pulled a knife and stabbed him once in the arm. Hasbrouck, sitting on the other side of the vehicle, was kicked in the face by another suspect, police said.

The five fled on foot. No other descriptions of the suspects were available.

Youths Sought in Burglary

Daly City police are looking for two black juveniles who robbed and burglarized a Daly City woman Monday afternoon.

According to police, the youths apparently entered the residence of Jean diMunno, 117 MacDonald Ave., Daly City, just after noon Monday, through an open rear window.

The youths confronted Mrs. diMunno and one suspect held her at knifepoint, while the other ransacked her house, police said. Taken were a cassette tape recorder and some jewelry.

The juveniles are described as between 13 and 15. One was wearing a light blue vest with dark pants and tennis shoes, while the other was described as tall and then with close cropped hair, wearing a dark blue running suit with white stripes and tennis shoes.

much time in the household.

The police officer has been visiting Parent-Teacher Associations at various schools to promote the 10-year-old program.

Hammermann said children are taught by the Daly City department to look for the block parent decals in the windows of residences on their walking routes.

Before an adult is selected for the program, the police conduct a confidential security check of the volunteer. Hammermann said the screening process is thorough.

The participants are instructed what to do in certain situations, such as dog bites or other injuries. Most of the instructions involve notifying police and school authorities, rather than direct treatment of problems.

"The program works real well," Hammermann said. "It's great for the kids to know they can get help if they need it."

(commission vote). I repeat, every dollar you pay."

Davenport took the podium to defend the maximum tax rate as a result of "$1 million in claims against the district."

He said trial of a $150,000 lawsuit against the district is pending, and may be beyond the scope of the district's insurance coverage at the time. If the district loses, it must be prepared to pay in full.

The lawsuit, referred to several times by both Davenport and McCloskey, revolves around a police assault charge against Johnson, who allegedly was acting as a police commissioner in a September, 1976, arrest incident.

McCloskey also referred to the participation of Wall in the lawsuit against two commissioners by residents who opposed a seven-year, non-cancellable contract with Daly City.

Wall countered with the charge that the $327,000 budget adopted by the commission under the maximum tax rate is inflated, including the areas of maintenance, utilities and office expenses.

"I don't think I could afford to have these gentlemen setting my budget," he said.

Wall, a general contractor, answered charges by McCloskey that he is an "illegal" president of the BPOA. McCloskey said Wall did not own property in 1975 when he was elected to the property owners' post.

Wall replied that he did own property and refuted other charges that the BPOA has violated its own rules by becoming "politically involved."

He said there is a difference in the BPOA's support of an issue, such as "Proposition U" and support of a candidate, which he said it doesn't.

Fillo, a grocery store manager, also is a BPOA officer. Both men said they would resign from the organization if the District Attorney's Office ruled a conflict, if they are elected to the commission.

The two challengers emphasized that they believe the Police Commission can obtain liability insurance to operate an independent Broadmoor Police Department again.

Responding to charges that the commission has yet to be presented with the specifics of an insurance proposal from a Burlingame agent who's been involved in the question for several months, Wall whipped out a sheet of paper.

The sheet gave the names of Jefferson and Western World insurance companies and Almega Insurance Inc. as the broker for a $9,946 insurance quotation given by agent Gregory Comaroto.

Both Davenport and McCloskey averred that they had never seen the single sheet of information.

SSF Pair Recover

A South San Francisco man and his 12-year-old son are reported in good condition today following injuries sustained in an explosion and fire at their family home Friday night.

Both Robert Bermenis, 46, and his son, Guy, 12, of 22 Altura Way, are out of intensive care at Kaiser Hospital in South San Francisco. Their condition is listed as good and stable.

Firemen said Germenis apparently was working with a butane tank in his garage shortly before the 6:16 p.m. fire. Although the cause of the blaze still is under investigation, firemen believe the butane tank and some nearby gunpowder somehow mixed and ignited.

When firemen arrived, the two-story structure was engulfed in flames. More than 15 firefighters were able to quell the blaze in minutes.

Firemen estimated the loss at $75,000.

Bruno Girl Eludes Police

A 17-year-old San Bruno girl eluded police for nearly half an hour yesterday in a high-speed chase from San Bruno through San Francisco and back to San Bruno again.

The girl, whose name was not released because of her age, was stopped about 1:30 a.m. by San Bruno Police Officer Gary Dyer at the corner of El Camino Real and San Bruno Avenue for allegedly running a red light.

Dyer, while citing the girl, discovered she had no driver's license in her possession. When he said he was going to notify her parents, the youth drove away in her car.

With Dyer pursuing the girl's vehicle reached speeds of 90-to 100-miles per hour, sped on El Camino Real through San Bruno, South San Francisco, Daly City and San Francisco. She went through the central exchange in San Francisco and onto Highway 101.

Her vehicle finally spun out of control near the San Bruno Avenue interchange on 101, where she was apprehended, police said.

There were no injuries or damage to vehicles.

The youth was cited for reckless driving and failure to yield to red lights and sirens. She was released to her parents.

Shot in Foot After Dispute

A 20-year-old Daly City man was shot in the foot, allegedly by a 34-year-old San Francisco man, following a dispute in Daly City Monday night, police said Tuesday.

Treated and released at Mary's Help Hospital, Daly City, after suffering a single gunshot wound in the right foot was Robert E. Andrews, 20, of 867 Skyline Drive, Daly City.

The shooting occurred at 7:35 p.m. Monday in the front of 52 Frankfort St., Daly City.

Arrested at the scene and charged with assault with a deadly weapon was Lloyd E. Taylor, 34, of 1474 Shafter St., San Francisco. He was lodged in Daly City jail.

Man Stabbed

A San Francisco man is listed in stable condition today at an area hospital after being stabbed numerous times following an apparent squabble in Pacifica Sunday afternoon.

Although details were sketchy, police revealed the victim, Charles W. Smith, 27, was stabbed at 679 Manor Drive, between noon and 1 p.m. Sunday.

Police said they believe a large knife was used

Be Alert on Halloween

The night is nigh when all manner of creatures, including those from far off galaxies; pilots of space craft of the future, and the more conventional broomsticks of the past, will be abroad shortly before and after sunset.

Motorists should be prepared to encounter skeletons, goblins, and assorted apparition wandering through the dusk and dark. All these creatures of presumed supernatural origin will be of short stature and should be expected to show a ghostly disdain for motor vehicles.

It will be, of course, All Hallow's Eve, best known to the "trick or treat" set as Halloween.

CSAA asks that parents stress seven rules of safety before permitting their offspring out on Halloween:

• Dress: Use highly visible costumes, avoiding dark colors, unless well decorated with reflectorized materials. Avoid baggy outfits that might cause a child to trip or fall; don't use masks that obstruct vision, or pointed props that could cause injury to the bearer or his friends.

• Cross streets only at corners — never in midblock.

• Always watch for turning cars before entering the street.

• Look in all directions to be sure the road is clear before crossing.

• Observe all traffic signals, and cross only on green or "Walk" lights.

• Never go into the street from between parked cars.

• Carry a flashlight, and use it to see and be seen.

NELL NORTON

Good morning, good cooks.

Haloween is almost here, and this first recipe might sound like a trick, but believe me it is a treat.

The name Sauerkraut Surprise Cake does make one pause and consider how a cake made with sauerkraut as an ingredient could possibly taste. Terrific! The sauerkraut adds moisture and texture to the cake, but no sour taste.

You will be delighted to serve this rich dark chocolate cake with its sour cream frosting as a super treat.

SAUERKRAUT SURPRISE CAKE

½ cup butter
1½ cups sugar
3eggs
1 teaspoon vanilla
2 cups sifted flour
1 teaspoon baking powder
1teaspoon baking soda
¼ teaspoon salt
½ cup cocoa powder
1cup water
1 8-oz. can sauerkraut, drained, rinsed and finely snipped.

In large mixing bowl, cream the half cup of butter, and one and one-half cups sugar until light and fluffy. Beat in the three eggs, one at a time, beating well after each addition; add one teaspoon vanilla.

Sift together the two cups flour, one teaspoon each baking powder and baking soda, one-fourth teaspoon salt, half cup cocoa powder. Add to creamed mixture alternately with the cup water, beating after each addition.

Stir in the eight ounces sauerkraut which has been well drained, rinsed and finely snipped.

Turn into greased and floured 13 x 9 x 2" baking pan and bake in 350-degree oven for 40 minutes or until cake tests done. Cook in pan.

SOUR CREAM CHOCOLATE FROSTING

1 6-ounch package semi sweet chocolate bits
4 tablespoons butter
½ cup dairy sour cream
1 teaspoon vanilla
¼ teaspoon salt
2½ to 2-2/3 cups confectioners' sugar

Melt the six ounces chocolate bits and four tablespoons butter over low heat. Remove from heat; blend in one-half cup dairy sour cream, one teaspoon vanilla and fourth teaspoon salt. Gradually add 2½ to 2-2/3 cups sifted confectioners' sugar, to make spreading consistency; heat well.

A good cook came by the office and asked for a copy of this old favorite. Since it was published over 5 years ago, it's a good time to introduce it to new readers and remind long-time readers of its merit.

RAW APPLE CAKE

2 cups peeled and chopped apples
1 beaten egg
½ cup brown sugar
½ cup granulated sugar
¼ cup oil
1 teaspoon vanilla
½ cup chopped nuts
½ cup raisins

In large mixing bowl, combine the two cups chopped apples, one beaten egg, half cup each brown and white sugars, fourth cup oil, one teaspoon vanilla and half cup each nuts and raisins. Mix well and sift in the following.

1 cup flour
1 teaspoon cinnamon
½ teaspoon salt
½ teaspoon baking powder

Blend in one cup flour, one teaspoon cinnamon and half teaspoon each salt and baking powder. Pour into well greased and floured 8 x 8" baking pan. Bake in 350-degree oven for one hour or until toothpick inserted in center comes out clean.

Cool and sift powdered sugar on top.

Venereal Disease Program

Planned Parenthood Association of San Mateo County has scheduled a program on "Sexually Transmitted Diseases: Would You Believe a Megademic?" for Nov. 10, 7-9:30 p.m., at Planned Parenthood, 2211 Palm Ave., San Mateo.

The speaker for the evening will be Jim Olson, from the San Mateo County Venereal Disease Clinic.

The incidence of venereal disease has been increasing across the United States at alarming rates. Young people are often the victims of this increase. In 1976, there were three million cases of venereal disease reported in the United States; two-thirds affected young people under age 25. In San Mateo County, 54 percent of the cases of venereal disease reported in 1976 affected persons under 25 years old.

Planned Parenthood Association of San Mateo County is a non-profit family planning organization providing a wide variety of services, including diagnosis of venereal disease in women.

The San Mateo County Venereal Disease Clinic is a tax-supported free clinic providing diagnosis, treatment, and counseling related to venereal disease.

In 1976 Planned Parenthood Association of San Mateo County served approximately 30,000 patients; The San Mateo County Venereal Disease Clinic served over 8,000 patients in that same year.

Preparations for Trick or Treat Fun

Halloween (Oct. 31) can be a day of adventure on the coast. Walk through the pumpkin patches in Half Moon Bay until you select the "perfect" jack-o-lantern, then head for NICK GUST'S mecca of restaurants, NICK'S, THE MOONRAKER, and CAPTAIN CHARLES, in Rockaway Beach. Three different menus to suit individual tastes, cocktail lounges for drinks and relaxed conversation, dinner music and dancing, and scenic views of Pacifica's coastline with its ocean waves breaking on the sandy beaches just beyond the picture windows.....Coyote Point's beautiful CASTAWAY restaurant continues to attract celebrities. Giant slugger Willie McCovey was a Saturday night dinner guest with a party of 10.....The BAYHILL LOUNGE in San Bruno has one of the longest lunch hours on the Peninsula — 11 a.m. to 3 p.m. Luncheon specials are numerous (there even are diet suggestions), plus sandwich variety, soups, salads and omelettes. Beverages include house wine and beer.....If you haven't tried the family-style dinner special now being offered from 5 to 9 p.m. at YOLANDA'S in South San Francisco, don't put it off any longer. The meal is only $3.95 through October (Monday through Thursday. . . . In addition to his "female" chorus line performances with the EVE-ETTES, glamorous STACY LEE creates much excitement with his hula and Tahitian solo number at world-famed FINOCCHIO'S. Bay Meadows Opens 'Central Park' Area

A picnic and recreational area, known as "Central Park," has been completed in the infield at BAY MEADOWS and it will be open Saturdays and holidays throughout the autumn racing season. The complex boasts every convenience necessary to the enjoyment of a day at the races, including refreshment stands offering all types of food and drink. There is closed circuit television, betting windows and picnic areas ideal for kids — and grownups, too — to engage in all types of games, while watching the races "from the inside out." A turf course has been constructed in the infield and it will be ready for racing at the 1978 fall meeting. In addition to the facility in the infield, there are refreshment stands throughout the grandstand area and restaurants offering varied menus, in the grandstand, clubhouse and turf club. There is no reason for a person to go hungry or thirsty while enjoying the "sport of kings" at friendly Bay Meadows.

Vince's Plentiful Menu Selections

There is always a convivial group in the cozy cocktail lounge at VINCE'S ITALIAN and SEAFOOD restaurant. A cocktail pause here is traditional with personalities on the local scene as well as those visiting the Bay Area. The luncheon and dinner selections are plentiful. .....ROSEBUD'S ENGLISH PUB, the fabulous new restaurant on San Francisco's Geary Street "Theater Row," is a favorite gathering place for the casts of A.C.T. and Curran Theater stage productions.....Newest hit with the cocktail crowd at PHIL LEHR'S Pay-by-ounce Steakery, on the lower level of the San Francisco Hilton Tower, Taylor Street entrance, is the delicious Suntory Royal Cloud. It's a smooth blend of Suntory Royal Special Reserve Whisky, Galliano and cream. . . November 9 is now the expiration date for the 50 cent "discount coupon" being offered by TANFORAN PARK'S GARDEN RESTAURANTS, San Bruno. JACK KUKS, general manager of this huge restaurant complex, says the coupons may be redeemed after 4 p.m. only, Monday through Friday, at any of the nine food establishments located within the Garden Restaurant center. . . . LEHR'S GREENHOUSE in San Francisco is the perfect place to entertain out-of-town guests. Your guests will love the beautiful garden in full bloom, the superb continental cuisine and the attentive service. The moderate prices are bound to make a hit with your wallet.

VIP's in Placerville Wins Contest Prize

A contest for tops in professionalism, cleanliness, promptness, courtesy, etc. was recently held by the VIP'S restaurant chain, with 42 "stores" — from Northern California to Washington — participating. Winner of the month-long contest was the VIP'S in Placerville. Manager FRANK BOYD was awarded a ten-day trip for two to Hawaii, as was head waitress KAREN BELTON. Not bad for a restaurant that has been open only since January. If you're headin' for the gaming excitement at Stateline, Nevada, treat yourself to breakfast, lunch, dinner or a snack at this award-winning restaurant and be sure to ask for BARNEY'S free coupons, another reward for stopping here.....Out-of-towners respond warmly to the charm and cuisine at SCOTTY CAMPBELL'S and understand why Peninsulans regard this Redwood City dinner house as one of their favorite restaurants. Among the celebrity dinner guests here the other evening was Irving Thalberg Jr., son of motion picture actress Norma Shearer and producer Irving Thalberg.....Pizza comes in three different sizes at ROMANO'S restaurant in Rockaway Beach. Small, medium and extra large (14") are prepared in many combinations to eat in or take out. Extra amounts of your favorite ingredients can be added for an extra charge.

Le Pacini

Well, Ernie Lombardi's been dead for weeks now, and I'm still waiting for that great ground swell of emotion-guilt that will sweep him into the Hall of Fame . . . that ground swell to honor the dead that almost always seems to develop in lieu of the lack of a simple common sense which existed while the honoree was able to smell the roses.

Unfortunately, none but a few old-timers — who were always banging the drum for The Great Schnoz, anyway — seem to be more than vaguely interested in righting the wrong.

What it was about Lombardi that kept him from getting even close to consideration for Shrine entry was always a mystery to this writer. Many say it was his notorious "dying swan" act in the 1939 World Series, when Charley Keller knocked him almost literally out on a home plate collision while Joe DiMaggio scored after having sent Keller (Keller having been only on first) and Frank Crosetti home on a mere single.

BUT EVEN though that led to the eventual loss of that game by Cincinnati, it was the fourth game of a Yankee sweep, anyway.

I have to believe it was more because of Lombardi's demeanor, and especially because of his physical appearance. Ernie was a shy, sensitive man who didn't make friends with the press easily. He also was a rough man, not the most couth guy around. A friend of ours, Walt Kluznich, was a substitute catcher for the Oakland Acorns in 1948, the year Lombardi returned to his old team at age 40 after he was finished with the Giants and the big leagues, and which, incidentally, was his last year in professional baseball.

While Walt was thrilled to be on the same team with a living legend, he wasn't thrilled about having to share catching duties with him, being inserted in the late innings occasionally to give Schnoz a rest. Few Pacific Coast League teams were in the chips in those days, and especially Oakland; which meant that equipment had to be shared.

LOMBARDI WAS an inveterate tobacco chewer. If you've ever chewed tobacco, you know that spitting goes with the territory. Ernie, never one up on the social graces — especially on a baseball field — never bothered to lift his mask when he expectorated, as almost every other chewing catcher in the game did and does. He would just spit right through the bars, and his aim was seldom totally accurate.

You can well imagine what greeted Kluznich when he picked Ernie's mask up after seven innings. So, because Lombardi didn't always exactly ingratiate himself with people — let's say simply that he wasn't charming, and because charm and politics unfortunately has something to do with election to the Hall of Fame; and also because he was, with his big nose and slowness afoot, almost a carciature of a professional athlete, Lombardi wasn't your everyday sports hero, the kind of guy whom kids would emulate and that organized baseball could easily publicly venerate. Thus, my theory goes, he was just not the right image for your average Hall of Fame athlete.

If that wasn't — and isn't — the reason from Lombardi's exclusion from the Hall, then there just ain't no more, as Robert Blake would say, because all that is then left is the records, and they are Hall of Fame stuff.

LOMBARDI WAS the only catcher in major league history to twice lead the league in batting (.342 in 1938 with Cincy, and with the Boston Braves in 1942, .330). Only one other catcher in the history of baseball has won a batting title. That was one Bubbles Hargrave, who hit .353 for, curiously, the Reds, in 1926. In 17 big League seasons, Ernie had a lifetime batting average of .306, hit 190 homeruns, drove in 990 runs and was an MVP in 1938. He hit over .300 on 10 different occasions, in the .290's twice. During what might be considered his peak years from 1932-43, he was over the .300 mark during one stretch for five consecutive years, and missed .300 only three times in that period, for a composite average during that time of .312. During that period of five consecutive .300 or better seasons, during which time he won his batting titles, his average was .331. Ernie was aged 26-31 during that time, and then the continual squatting, which slows up a catcher, and the foul tips, which knarl the fingers and hamper bat control, began to catch up with him, and when one isn't blessed with speed to begin with, such things can rob a man of many base hits.

In fact, one of the standard hot stove league topics of conversation in the '30s and '40s was speculation as to what Lombardi would have hit had he been just ordinarily slow (some say at least 20-30 points higher with just average movement afoot), and how many homeruns he would have compiled if he didn't hit such low, savage line drives that merely dented walls rather than sailing over them.

THE OLD Oakland park in Emeryville had a clock attached to a tower on the left centerfield fence. The fence wasn't very far from homeplate in that old bandbox, but the clock's face must have been 100 feet high. Yours truly vividly remembers Lombardi once hitting a line-drive that kept rising and hit the clock so hard that the entire face rattled. And the drive hadn't yet reached its apex!

Carl Hubbell once confessed that the only thing he ever really feared in baseball was being hit by one of Ernie Lombardi's line drives. And remember that Hubbell faced Babe Ruth!

Despite his lack of speed, Lombardi tied a major league record for most doubles in one game (4) in 1935, and tied another major league record in 1937 by collecting hits in six consecutive times at bat.

As for his defense, none will deny that he had a powerful throwing arm in his hey-day. He led the league in fielding in 1940, and in 1944 led NL catchers in doubleplays. There are few old timers who will scoff at his defensive ability and say that he wasn't the receiver so-and-so was, but so-and-so usually turns out to be Gabby Hartnett, or other catchers who are already in the Hall of Fame.

Despite all of this, I fear more each day that Lombardi will never make it to the Hall, that he will continue to get beat out by a nose.

ART DIKAS, now of Millbrae and once a hard-hitting semi-pro catcher around San Francisco, is trying to contact all Balboa High School grads, class of '37, to let them know about Bal's 40th class reunion on Saturday, Nov. 5, at the Officer's Club at Fort Mason.

Dikas asks any '37 classmates who see this notice and have not been contacted, to please call Bill McAllister in San Francisco at 756-7191; Ray Castor in Millbrae, 697-8376, or Dikas, at 952-4783. He also suggests that you contact as many other classmates as you know of who have not heard of the reunion.

John Moreno, formerly of Terra Nova High and Skyline College and now of San Francisco State, continues to be one of the Gators' all-time standout long distance runners, as he proved again recently when he finished fourth in a large field at the Annual Cal-Aggie Invitational cross country meet. Moreno turned in a time of 24.32 for the five miles, and was the second Far Western Conference runner to finish.

Tigers Inches Away as Game Ends

Cougars Win a Cliffhanger

By JOHN MURPHY

"It was just another typical Half Moon Bay football game," chuckled coach Jerry Murphy after his charges stopped host Terra Nova on the one-inch line to preserve a 23-17 North Peninsula League victory Friday night.

Half Moon Bay High's gridders have been coming through in the clutch all season long and this game proved to be no exception.

Trailing by six points with 1:08 left, Terra Nova initiated its last-ditch effort from its own 39-yard line. Behind the strong arm of quarterback Mike Diaz, the Tigers moved swiftly down field.

A 16-yard completion from Diaz to wide receiver Randy Peterson, sandwiched by a pair of Diaz-to-Mike Mooney hookups, put Terra Nova on the Cougar 29 with :39 left. After an incompleted pass Diaz found Peterson once again for an 18-yard gain down to the HMB 11.

With time running out Diaz went back to pass but couldn't find a receiver. He elected to run and was stopped for no gain with three seconds left. Terra Nova had no timeouts left, and it appeared that the game was over. Not quite.

Half Moon Bay linebacker Brian Knapp was injured on the play, and an official's timeout was called. That gave Terra Nova its final opportunity.

Again Diaz faded back to pass from the 11 yard line. And again he decided to run. He found a hole on the left side and HMB cornerback Greg Raleigh upended him at the three, and the Tiger quarterback was sent sprawling head-over-heels toward the goal line. The official, ruled that Diaz landed an inch or two short of the end zone.

It was a bitter pill to swallow for Terra Nova. Last year the Tigers had lost to HMB, 26-20, when a field goal attempt was blocked and returned for a touchdown with no time left on the clock.

This was an extraordinary battle from the beginning. It had everything: Two undefeated teams, a capacity crowd, plenty of scoring, some hard-hitting defense and a cliffhanger finish.

Dan Ramirez' 25-yard field goal put HMB ahead 3-0 in the first quarter, but Terra Nova went 63 yards in 10 plays on its first drive with halfback Brad Castillo going over from 14 yards out to make it 7-3.

HMB didn't waste time recapturing the lead. QB Scott Mathews hit wide receiver Barry Short on a slant, and Short slipped by two defenders while rambling 63 yards to put HMB up 9-7.

Then the pendulum swung the other way.

The Tigers ate up the remainder of the first quarter with an eight-play 69-yard drive which was culminated by Diaz' 18-yard scoring toss to Mooney. Dennis Sadlowski's PAT made it 14-9.

But the Cougars weren't intimidated. Mathews drove HMB down to the Tiger 39-yard line and then connected with Short on the sideline. The Tiger defender went for the interception — and missed — and Short sped into the end zone to make it 15-14.

Terra Nova pulled to within 17-15 on its first drive of the second half as Sadlowski split the uprights with a 22-yard field goal. The game then settled down into a defensive battle until HMB mounted its game-winning drive late in the third period.

Paced by the tough running of Knapp and Moreno, and some timely completions by Mathews, the Cougars drove to the Terra Nova one. Matthews then snuck over to close out the scoring.

JEFFERSON-SOUTH CITY

Jefferson displayed a stout defense, and put up a better offensive effort than expected, but still dropped a 12-7 decision to the undefeated host Warriors.

SSF broke a scoreless tie in the third period when flanker Glenn Kramer took an inside reverse and sped 22 yards to the end zone.

It remained 6-0 until the fourth quarter when South City picked up a fumble on the Jeff 47. Five plays later, fullback Rod Bernard burst 14 yards up the middle for a TD to put SSF ahead 12-0.

However, Jeff retaliated with a seven-play, 55-yard drive, culminated by Bob Figueroa's two-yard scoring run. Carlos Barba added the extra point.

Jeff drove to the SSF 17 yard line late in the game but stalled.

Dave Palmer sparked SSF's ground game with 22 carries for 186 yards.

OCEANA-WESTMOOR

A wild final two minutes highlighted Oceana's mild 20-14 upset win over Westmoor.

Behind 14-6, Westmoor decided to insert sometimes-starter Tony Limatau in at quarterback late in the fourth quarter. Limatau quickly completed five of nine passes including an 11-yard touchdown strike to wide receiver Rich Rogers. Limatau then went right back to Rogers on the two-point conversion to make it 14-14 with 1:27 left.

Westmoor then kicked onside and almost recovered. But Oceana managed to gain possession. Three plays later Shark QB Dan Lee threw a 51-yard scoring pass to halfback Randy Swayne to sew things up for Oceana.

Lee, who earlier threw a 64-yard TD pass to Jaime Miranda and also scored on a one yard run, completed eight of 20 for 192 yards. Swayne had 157 yards on 25 carries.

Rogers, who caught four passes for 51 yards, had Westmoor's other touchdown on a 28-yard interception return.

EL CAMINO-SERRAMONTE

Serramonte outgained the visiting Colts 251 to 69 on its way to an easy 28-6 victory.

Fleet Serramonte halfback Darryl Jones skirted the ends for 163 yards on 13 carries including a 71-yard run in the third period.

'Cats Win 28-20

A fatalistic sense of deja vu pervaded Capuchino High's football field as the Mustang band played the theme song from "Rocky" shortly before the opening kickoff of Friday's Mid-Peninsula League game between Cap and San Mateo.

It was as though Cap was resigned to its role as a heavy underdog — but was also promising to put up quite a struggle. And the Mustangs did just that, rallying to tie San Mateo midway through the third quarter before eventually dropping a 28-20 decision to the Bearcats.

San Mateo now 2-1 in MPL play, figured to control the line of scrimmage with its bigger linemen, grind out tough yardage on offense and simply wear Cap down. Statistically, that's how it worked out: San Mateo gained 251 yards on the ground to Cap's 51 and outgained the Mustangs 142-115 through the air — even though Cap passed twice as often.

But Cap's inspired, hard-hitting defense forced three Bearcat fumbles as the Mustangs roared back from a 14-0 halftime deficit to make it 14-14 with 5:09 left in the third period.

"Cap stunted quite often (changed its defensive alignments) and stunted in the right places at the right times," said relieved San Mateo coach Dave Brolliar. "They hit as hard as anybody we've played. They played a good game.

"I think our kids were a little down after losing to Aragon last week, and we just didn't come out of the locker room for the second half ready to give 100 per cent. And I don't care who you're playing — if you let up like that, the other team is bound to come back."

Cap couldn't get a drive going after recovering a Bearcat fumble on San Mateo's first possession in the third quarter, but a 45-yard punt by John Boragno pinned the Bearcats on their own five. Three plays after recovering San Mateo's second fumble, Cap made it 14-6 when running back Mike Schmidt scored on a one-yard sweep.

Cap's defense, spearheaded by rugged middle linebacker Greg Ley, forced the Bearcats to punt after the ensuing kickoff without making a first down, and a weak 14-yard kick gave the Mustangs field position at the San Mateo 43.

On second down and eight, split end Boragno ran a sideline-and-up. Boragno beat his defender. Fell rolled left and found him with a perfect spiral for a 41-yard touchdown. On Cap's two-point conversion try, Fell was hit hard and stopped cold at the three on an option run but he managed to lateral to back Roo Brown at the last instant, and Brown darted across to tie it.

"Fell really impressed me — he's a good quarterback," observed Brolliar. "I really didn't know he was that good."

San Mateo then fumbled for the third time in four possessions, giving the Mustangs excellent field position at the Bearcat 40, but Cap lost seven yards on three plays and had to punt.

Aragon Remains Undefeated, Nips Mills, 7-6

By DAN BERTELLOTTI

Call them lucky. Call them fortunate. Call them opportunistic. But by all means, call them the Mid-Peninsula League leaders.

The Aragon Dons kept their MPL record unscathed at 3-0 with a hard-fought 7-6 win over Mills (1-2) Friday at Hillsdale. The loss probably eliminated Mills from the title chase.

The Don offense didn't score all afternoon. A 66-yard run by soph John Hammond late in the game more than doubled Aragon's total offense. Had it not been for the dynamic Don defense, it might have been a long day.

As usual, the Dons were in solid control of field position.

While protecting a 7-6 lead in the second half, Aragon never let Mills into Don territory until the last drive of the game. The Vikings began all their drives in their own territory; they began on their own 43, 20, 10, 20, 20 and 20 yard lines in the last half.

Mills' last ditch drive started on its own 20 with 0:46 left. After quarterback Marc Jackson completed a pass for 11 yards, Aragon suffered a pass interference penalty, moving the ball to the Don 48.

After an incompletion, Jackson found Brian Wisecarver for 14 yards to the 34 with time running out. Jackson threw the ball out of bounds to stop the clock (Mills was out of time outs) with 0:01 left.

John Morena was brought in to try a 51-yard field goal. But his attempt into the wind was short and wide right.

Aragon got its only score midway through the first period. Mills botched up a pitchout and cornerback Sam Vaka picked it up and went in untouched from 41 yards out. Vanlee Waters' kick proved to be the winning point.

Mills got its only score in the second period after Matt Musa recovered a Don fumble on the Aragon 37. Quarterback Dave Rebata eventually ran it in on an option right on fourth down and goal from the two.

The Vikings tried a two-point PAT, but Jackson was spilled behind the line by a host of Dons.

The Don defense did the rest, completely shutting off the Viking offense. And Waters' punting helped keep Mills pinned in its own backyard. He kicked eight times for a 35.4 average.

"It's sure nice to get away with this win," understated Don Coach Dick Breaux. "We're very fortunate.

"I told our kids all week about avoiding an emotional letdown after the big win over San Mateo (last week). Maybe I talked too much. I thought we were flat, but you can't take anything away from Mills. They really hit us."

Vaka keyed the defense with fine pass defense and good coverage on option runs. Aragon's Joe Fenech, a 5-7, 145-pound noseguard, and Rich Simcock, fighting the flu, drew praise from Breaux.

Hammond's 66-yard run was also a big play. Faced with a second and 10 on their own 19 with time running out, Aragon caught Mills on a blitz and Hammond broke into the clear. Ron Giannotti ran him down on the Viking 15 to save a TD. A clipping penalty stalled the drive later.

Mills may have suffered a bigger loss as Rebata, one of the two alternating Viking quarterbacks, hurt his back, and had to be taken to the hospital.

Republican Fund-Raiser

A Republican fund-raiser, "Las Vegas Night," is planned for Nov. 4 at the San Mateo Elks Club, 229 W. 20th Ave., San Mateo, from 8 p.m. until midnight.

Admission is $15 per person.

Door prizes include a Tam O'Shanter donated by U.S. Senator S.I. Hayakawa, lunch with Assemblyman Dixon Arnett, and a flag flown over the U. S. Capitol by Congressman Pete McCloskey.

For details call 344-5766.

Teen Volunteers Sought

A volunteer program for junior and senior teens — grades seven through 12 — is sponsored by the South San Francisco Parks and Recreation Department.

The program provides teens an opportunity to learn and evelop leadership skills in the field of recreation programming.

For details, call 873-8000.

Annual Spook Parade

The Westlake Center in Daly City will be sponsoring its third annual Spook Parade on the mall at the center on Oct. 28, beginning at 4 p.m.

A costume judging contest will be open to all children 12 years or younger in age. The contest will be split into four categories: up to 3 years; 4 to 6 years; 7 to 9 years and 10 to 12 years. Prizes in all categories will include gift certificates for toys and special prizes courtesy of Marriott's Great America.

Children will be judged on costume originality, personality and overall presentation to the judges. The event is provided as a service to parents who wish their children to have a safe and fun Halloween.

Sirens, Horns to Sound

A test of civil defense sirens and horns will be held at 11 a.m. on Oct. 28. All of San Mateo County and Santa Clara County will be included in the test.

Supervisor James V. Fitzgerald, the area civil defense coordinator, said the test signal will consist of one-minute steady sound, followed by a short silence, then a one-minute wavering blast.

Purpose of the test is to insure that the Emergency Warning System is in proper operating condition.

Council Applicants Wanted

Applicants for the Junior Teen Club Council are being sought by the South San Francisco Parks and Recreation Department.

A total of nine teen representatives, who will act as advisors to the teen program, are wanted.

For details, call 873-8000, ext. 280.

Italian Cooking Sessions

The School of Italian Language and Culture, South San Francisco will be offering a six session cooking class on Italian regional dishes.

Students will be able to observe the actual preparation of the food, and to eat the complete meal at the end of the preparation.

The class will be Saturday mornings beginning Nov. 12, at Los Cerritos School, 210 W. Orange Ave., South San Francisco.

A tuition of $25 for the six presentations is charged.

Central Committee to Meet

The election of a new chairman will highlight the November meeting of the San Mateo County Republican Central Committee. The meeting will be Nov. 1 at 8 p.m. at the Burlingame City Hall, 501 Primrose Road.

Outgoing chairman Bob Naylor of Menlo Park has resigned to become a candidate for the 20th Assembly District seat currently held by Dixon Arnett, R-Redwood City. Arnett is seeking the Republican nomination for state controller.

The members of the County Central Committee are selected by the Republican voters in the June primary and serve for a two year term beginning the following January. Elected members represent Republicans from each of the County's five supervisorial districts.

Tanforan Veterans of Foreign Wars, Auxiliary No. 2517, will welcome 12th District President Elsie Mangan of Watsonville at 8 p.m. Nov. 14 at the VFW Hall, 816 El Camino Real, San Bruno. The district president is making her annual inspection of the auxiliary.

Included in the agenda that evening will be the welcoming and acceptance of two transfer candidates, Mary Fields of South San Francisco and Mayre Albert of Daly City.

Social hostess for the evening will be Historian Rose Fisher of Daly City.

Halloween Films

Special films for Halloween will be shown at both Pacific libraries Oct. 28 at 3:30 p.m.

Pacifica Library will show "From Earth to the Moon," while Sanchez Library will feature "Winter of the Witch."

In addition, on Oct. 31 at 3:30 p.m. at Sanchez Library, Julie Rainbow will aid children in painting their faces for Halloween costumes.

'White Line' Palace Tour

A special "White Line Tour" through the livestock corrals and parts of the Cow Palace will be available to all visitors of the 33rd annual Grand National Livestock Exposition, Rodeo, and Horse Show at the Cow Palace Oct. 28 through Nov. 6, show chairman Darrel Chapman has announced.

The tour will begin at the front entrance of the Cow Palace, and continue through the sheep pavilion, livestock corrals, auction pavilion, beef pavilions, and other areas.

The "White Line Tour" can be educational, especially for children, Chapman said.

Newborn animals are quite a common sight, he pointed out.

On display will be more than 3,000 of the finest livestock from 18 states and Canada.

"The White Line Tour," said Chapman, "will take you behind the scenes of the show, to see how we put it all together."

The Grand National is 10 days of outstanding rodeo action, elegant horse show events, and the country atmosphere of the livestock exposition.

Admission to the arena show (8 p.m. weeknights, 2 and 8 p.m. Saturdays, and 2 and 7 p.m. Sundays) ranges from $3 to $7, with half price matinees for juniors (under 16) and senior citizens Sunday, October 30, and Saturday, November 5.

Tickets are available at the Cow Palace Box Office (334-4852), all Ticketron, BASS, and Macy's outlets; San Francisco Downtown Center Box Office (775-2021), and all Bay Area ticket agencies.

To charge tickets by phone on any major credit card, call (415) 824-2743.

Parents Commended

Reduce the High Cost of Dying

The Neptune Society is the alternative to the more costly, involved mortuary-funeral-cemetery system. After 100 years, it is the answer to America's high cost of dying. The Neptune Society provides a simple, dignified cremation service with scattering on land or sea. There is no need for embalming, cosmetology, casket or graves. Most funerals with casket, grave and other related items will cost $2000 to $5000. The simple Neptune way is approx. $320 plus modest area transportation fees. The U.S. Government pays $255 cash toward death expenses. The thinking person will register today and become a card carrying member.

TO DISCUSS RUSSIAN STAGE

Author Mike Davidow, right, will discuss his new book, "People's Theatre from Box Office to the Stage in Russia" for The Friends of the Daly City Library and guests on Oct. 27, 10 a.m., in the community room, Westlake Library. The public is invited to attend free of charge. Davidow is shown discussing his book with The Friends' book review chairman Eileen Winter. Edward Hastings, executive director of the American Conservatory Theatre, has said of the book, "I am sure that students and workers in the American theatre will be fascinated to read of the present development of the Russian theatre which has in the past so influenced our own."

Help Wanted

The following agencies have requested volunteer assistance from the Volunteer Bureau/Voluntary Action Center of San Mateo County, with offices in Burlingame, Redwood City and Daly City.

The local telephone number is 992-0957, an answering service. Residents also may contact the main office in Burlingame at 342-0801, from 9 to 5 weekdays.

AMERICAN RED CROSS — Assistance is needed with general office work and volunteer coordination. The English as a second language classes, held on Tuesday and Wednesday evenings, are seeking teacher aides for only one hour. No knowledge of another language is necessary.

ADULT PROTECTIVE SERVICES — Someone skilled in sign language is needed as an interpreter. Assistance is needed the end of October during the day and any assistance you could offer would be greatly appreciated.

AID TO VICTIMS AND WITNESSES — Volunteers are needed to assist victims and witnesses of violent crimes. Volunteers may participate in the program in this program in may ways including witness guides at the courthouse and assisting victims. Complete training is provided for anyone interested and this can be a valuable learning experience while helping others.
